Dear Parents and Guardians,

In 2010, the Board of Education implemented an Activity Participation Fee Policy for select extra-curricular and co-curricular activities for all students in grades six through twelve beginning with the 2010-2011 school year. The purpose of this fee is to help defray the costs of the active supplemental contracts issued to coaches/advisors, arrangements for transportation, officials, rental fees, uniforms, participation fees for these activities which are funded by the general fund. **This is a one-time fee per school year and permits students to participate in multiple activities.**

Enclosed is the Activity Participation Fee Policy as well as the Regulation. Also enclosed is a list of activities at our schools that will be subject to the Activity Participation Fee, as well as the form that must be completed and returned to the school with your payment. Please note that the fee per student in **middle school is \$70** and in high school is \$80. A family shall not pay more than \$150 total.

For parents who have children in both high school and middle school, please submit the payment to the high school. The forms will be processed by the high schools and your child's information will be forwarded to the appropriate middle school. You can also log onto to <http://www.cherryhill.k12.nj.us/payments> to pay online. Additional information and payment instructions can be found on the website.

If you choose to pay online, payment reporting is **NOT** automatic, you must complete and return the enclosed payment form (gold attachment) and attach a printed copy of your online payment receipt. If you have children at both a Middle and High School you must pay the fee to the High School account for all students.

Your check/money order or a copy of your online transaction receipt must be submitted with the enclosed payment form (gold attachment) to the Carusi Main Office. PLEASE DO NOT MAIL PAYMENTS TO THE SCHOOL. If you also have a student at Cherry Hill High School West or East, please send one form with your students' full name and schools with your check to your student's high school, which will process the form and inform us of eligibility.

The Board of Education understands that some families, due to financial hardship, may be eligible for a waiver of the fee. If you are eligible, please return the enclosed form with the application. If you are unable to pay all or part of the Activity Participation Fee and want to request an exemption, please contact your Building Principal who will review your situation and make a determination. This information will remain confidential.

If you have any questions, please contact me at Carusi Middle School, 856-667-1220 and contact the main office at extension 3553.

Respectfully,

Dr. John J. Cafagna
Principal

District Policy

2436- ACTIVITY PARTICIPATION FEE PROGRAM

Section: Program
Date Created: June, 2016
Date Edited: June, 2016

Annually, the Board of Education and administration face the very difficult task of developing a budget which supports the goals of the Cherry Hill Public Schools and our commitment to a pre-eminent education and co-curricular programs, while recognizing the growing cost to local taxpayers. Co-curricular programs include athletics and other activities which students participate in that are supported by general education funds.

The district's rich, diverse offering of co-curricular activities available to all students is considered an integral part of the middle and high school experience as well as an asset to the community. In order to continue to support the broad range of educational experiences, the Board of Education has determined that a fee must be implemented for students in grades six through twelve.

The Board of Education will review this policy annually prior to the beginning of the school year and will receive the recommendations of the Superintendent or designee for both the annual fee for students as well as the maximum amount per family. Students eligible for free or reduced lunch are exempt, and other exemptions may be granted by the Superintendent or his/her designee for good cause. Non-exempt students who fail to pay the fee will be ineligible to participate in such co-curricular activities as are designated by the Superintendent and which receive funding from the general fund budget, until such time as the fee is paid. All fees must be paid prior to the first try-out or practice or the first organizational meeting for club or extracurricular activity.
